Stephen Watson Volunteer Questionnaire to Karen Ann Day

Instructions: Please circle Yes, No, or Don't Recall to questions and return paper in envelope to your son for his court case telling the government to leave him alone. A judge will make a decision.

Do remember telling your son about high frequency that caused ear ringing, flashing lights in front of your face, pain to head disturbing your sleep, from young men upstairs pestering you at a two story boarding house, when you lived in Monrovia, California in 2013 at 210 West Lime Avenue, Monrovia, California. { | YES | NO | Don't Recall | }

Do you remember calling the Monrovia Police who did nothing and left when men were pestering you with high frequency when you lived in Monrovia, California in 2013 at 210 West Lime Avenue? { | YES | NO | Don't Recall | }

When you were moved to Arbor Vista retirement home after the high frequency pestering did you know what you were signing when your daughter Esther Watson had you examined and gave you papers to sign becoming your guardian? { | YES | NO | Don't Recall | }

Did your daughter Esther Watson take you to a doctor to get checked out because of pain like to the legs or feet and the doctor did not know or was not told about high frequency pestering? { | YES | NO | Don't Recall | }

You son bought you a wearable RF detector (Safe and Sound Micro RF Detector) that looks like a wrist watch. Do you remember telling your son that it helps against high frequency like a deterrent? { | YES | NO | Don't Recall | }

You remember telling your son someone went through your room and tampered with the wearable RF detector (Safe and Sound Micro RF Detector) that looks like a wrist watch - the part where you plug it in so it no longer works? { | YES | NO | Don't Recall | }

Do you recall seeing your son holding a device to measure frequencies or giving you material to shield yourself from high frequency pestering that you put in your room or closet? { | YES | NO | Don't Recall | }

Did you wear a wool hat to protect your head from high frequency pestering that disturbs your sleep at Arbor Vista retirement home, 811 East Washington blvd, Pasadena, California? { | YES | NO | Don't Recall | }

Does Arbor Vista retirement home staff give you medication to help you sleep? { | YES | NO | Don't Recall | }

Do you take cough syrup to help you sleep or feel better like a feeling of a cold so you need to take it? { | YES | NO | Don't Recall | }

Do you have to use the restroom, have sore feet needing a walker, sore legs, trouble sleeping, feeling tired because of high frequency pestering at night? { | YES | NO | Don't Recall | }

Has your son told you he believes the government is pestering him with directed energy or high frequency because of him researching UFO's. It causes him stomach pain; go use the restroom when he visits you at Arbor Vista and drive you around? { | YES | NO | Don't Recall | }

Did your X-Husband Gene Watson aka Gino Vescio try to build a flying saucer from material he could find like scrap metal when he lived in America? { | YES | NO | Don't Recall | }

Did your son visit you at Arbor Vista on July 1, 2025 and drove you to a park where he cooked food like french fries, sausage, then returned you to Arbor Vista where he talked to the lady at the front? { | YES | NO | Don't Recall | }

Do you feel like your expectation of privacy and personal belongings is respected living at Arbor Vista retirement home? { | YES | NO | Don't Recall | }

Did you tell your son and Arbor Vista retirement home that you want to move to a different place and that you would be happier somewhere else? { | YES | NO | Don't Recall | }

Did you tell your son that you did not believe the high frequency pestering was the police but it could be the Russians? { | YES | NO | Don't Recall | }

Do you remember your son driving you away from Pasadena toward Joshua Tree and you no longer having sore feet, could walk fine, no high frequency pestering? { | YES | NO | Don't Recall | }

Did you remember your son driving you to Nevada and or Texas and your son complaining of directed energy or high frequency pestering disturbing sleep in hotel, having to wake up and use the restroom, feeling tired; fatigued driving unable to sleep well? { | YES | NO | Don't Recall | }
